## Men Who Are Particular As to Clothes are Invited to Inspect Our Line

The story is told of a man, who, when asked what color he wanted his roof painted, replied: "Paint it any color so it's red."

There are lots of men in this city who confine their choice in clothing in a similar manner: "Give me any suit, so it's Rosenthal's Klothes," they will say, "and no other will do."

Rosenthal's Klothes "prove up" by every worth while test of materials, making and modes. Young men in particular, like Rosenthal's Klothes.

Suits \$10.00 to \$25.00

Balmaccans, \$10.00 to \$15.00

## A Pleasure for the Wife

The woman who does her own baking should enjoy it immensely. Baking is really a pleasure and the source of much satisfaction if the housewife has much confidence in her results. But the excellency of her baking depends almost entirely on the quality of the ingredients which she uses.

## Security Calf Food!

We wish to call your attention to Security Calf Food, a food especially prepared for calves. Young calves require proper food (and just as much so) as young babies require proper food. Security Calf Food is put up to take the place of "Mother's Milk," for young calves, as "Baby Foods" are put up to take the place of "Mother's Milk" for babies.

Security Calf Food replaces the whole milk from the time the calf is three days old and at the cost of less than 2 cents per day. Your calf requires from eight to ten quarts of milk a day. This is worth from 2 to 3 cents a quart and it will cost you from 20 to 30 cents a day to feed your calf with whole milk, while you can raise or fatten your calf on Security Calf Food for less than two cents per day and raise just as good a calf. Security Calf Food does not have to be cooked or bothered with.

We guarantee to refund in cash for every pail or package of Security Calf Food that does not give perfect satisfaction.

### The Interest Increases

As our Panama-Pacific contest goes on the interest seems to be increasing every day. Every mail brings in subscriptions and the contestants are bustling hard. The special coupon which we issued last week brought in a number of people who were anxious to help their favorite candidate. The offer for double votes on money paid Saturday certainly was a winner and brought in so much money that we decided to try it again. Remember, every dollar paid next Saturday will entitle you to just twice as many votes as it will any other day in the coming week, so hustle out after your friends and get them to help you this coming Saturday as it will probably be the last chance for double votes.

Bear in mind that the ones who win our trips will be those who hustle at the start and keep it up till the curtain goes down on the last.

Below we publish the list of contestants with the standings up to 4 o'clock Wednesday afternoon, Mar. 10:

## OBITUARY.

Be still prepared for death and death or life shall thereby be the sweeter.—Shakespeare.

William Wark, aged 62 years, died at his farm home six miles north and one-half mile west of Yale on Tuesday night, March 9, 1915. He was born at Strathroy, Ont., March 29, 1853. Came to Michigan with his parents when a very small boy settling in Speaker township where he always resided.

Married Sarah Zavitz in 1885 to whom were born three children, William of Mevin and Ava at home, now living. The funeral will be held at one o'clock Friday afternoon from the Speaker M. E. church, Rev. Shumaker of Peck officiating. Burial in Speaker cemetery.

Deceased was sick only about three weeks and continued to his last day. He was a man of sterling qualities and had a host of friends all of whom sympathize with the wife and family in their sad bereavement.

Andrew Kelly, aged 43 years, died this (Thursday) morning at 2:50 o'clock at the home of his sister, Mrs. Edward McMullen, on Main street, Yale.

Andy, as he was familiarly called, was born in Lynn township and was a son of Mr. and Mrs. Andrew Kelly sr., deceased. He spent his whole life on the farm where he was born. He was never married, his sister Lou keeping house for him after the death of his parents.

Two years ago he was taken with creeping paralysis and every thing possible was done to relieve him, but to no avail.

He was one of a family of six girls and three boys. Those living are: Mary Hunter, Capac; Sarah Lantiro, Yale; Lou Kelly, Lynn; Ellen McMullen, Yale; Michael, Lynn and Charles of Gaylord. Two sisters, Kittie and Margaret are deceased.

The funeral will be held Saturday morning from Sacred Heart church, Rev. Fr. Meiling officiating and interment in Sacred Heart cemetery.

The Expressor extends sympathy to the bereaved relatives.

### One of the Pioneers.

Sidney Holcomb, one of the old pioneers of this section called at the Expressor office on Tuesday and informed us that he was 87 years of age. He is as spry as many a young man of 20 years and is enjoying the best of health.

He was born in York state in 1828 and when 14 years of age moved to Ohio. Came to Michigan when 21 years of age, and to Brockway in 1855. Worked in the lumber woods for 16 winters and run the rivers for 15 springs.

Married Amanda M. Smith and nine children were born to them, six of whom are alive. They are: Marion, wife of Lambert Jones, of Yale; Nellie, wife of Ira Goben of Lutz, Fla.; Orlando, Yale; Sidney, Deckerville; Frank, of Spokane, Wash. and Hiram, Yale. Mrs. Holcomb, his life partner, died in June 1911, and Mr. Holcomb has made his home with Mrs. Jones ever since.

Mr. Holcomb made the first road west from Yale and in company with William A. Wear built the first bridge across Mill creek on the west road. This section was a wilderness at the time he located here and he has experienced all the privations and hardships connected with pioneer life.

### Big Sale Now On

C. S. Cochran, general merchant of this city, has now on a big bargain sale which started last Saturday and it is a hummer. A two-page advertisement appeared in last week's Expressor and Saturday's trade was most satisfactory. Mr. Cochran is one of Yale's live wires as a trade getter and he is more than satisfied with the business coming his way since his announcement made last week. He is offering bargains which draw the trade to his store and the bargains they get make satisfied customers.

The sale will continue through this month and it is up to the readers of the Expressor to take advantage of it. Visit the store and inspect the stock and get prices. You will make no mistake.

T. J. Minnie will ship a car of hogs and cattle Thursday, March 18th. If you have anything to sell call at market or phone 6.

Many lost and found articles find their way to the original owner through a liner in the Expressor. Try one.

**SECURITY**  
THE proverbial "rainy day" holds no terrors for the family circle in which the bank book shows marks of constant handling.  
There is an atmosphere of peace, preparedness, comfort, happiness and security about that home. The sad, pinched faces and haunted looks of dread and fear have no place there.  
You will never experience the joyous pride of having this security and provision until you determine to save. The next step is an account here.
